AIR QUALITY ENHANCER™
Metered Air Freshener
#7388 (Cinnamon) #7398 (Fresh)

AIR QUALITY ENHANCER is a line of metered air fresheners that chemically works to neutralize unpleasant odors. AIR QUALITY ENHANCERS can be used in conjunction with many automatic actuating aerosol dispensers that deliver fresh fragrance every 15 minutes. One can will keep an area constantly deodorized for up to 30 days. All of the active ingredients are released, making this the most effective technology for odor counteracting on the market today. The fine, dry mist is nonstaining. The fragrance stays suspended in the air long after the offensive odor has been destroyed, creating a pleasant atmosphere.
