

AZ-F24™ Fogger Concentrate

Fogger Concentrate #4512, #CFT (fogger)

AZ-F24 Fogger Concentrate/Surface Sanitizer is especially designed to work with the Cannon Fogger and to work as a general wipe down for surface areas. This powerful solution is an E.P.A. registered sanitizer and disinfectant that works without rinsing. AZ-F24 is a concentrate as well, mixing from 1.5 oz to 4 oz per gallon of water allowing for maximum use of budget dollars.

Post prepping area to be sanitized - Simply fill the 'Cannon Fogger', set the timer and you are done! Ask your account representative about in-service programs for your cleaning staff.
