“Best Room Air Freshener”

THE BLOOMING CANNON is the world’s only air freshener that uses the fragrance cover of the dispenser as the air freshener refill itself! Now, instead of unlocking a dispenser, unloading the old refill, loading the new refill, and replacing the cover, you just take off the old cover/refill and replace it with a FRESH one!!! THE BLOOMING CANNON refills are 100% recyclable and VOC compliant. Each refill comes with a battery and continuously freshens for 30 days.
