"Packed with on trend fragrance and optimized bacteria"

The Blooming Dome is a 60 day air-freshening urinal screen saving labor and cost, lasting 2 to 4x longer than other urinal screens. Blooming Dome’s unique shape fits more urinals better than traditional urinal screens. Blooming Dome releases a burst of on trend fragrance collected in the headspace with every use, and reminds you when to change it. Blooming Dome is great for raised caps and it won’t float around your urinal.
