Big Blue John™
USDA Industrial/Institutional Cleaner
#340 (quarts), #341 (35-gallon drum)

“The Thick Power of Blue”

BIG BLUE JOHN is an effective industrial strength cleaner for stainless, brass, porcelain and tile. It is two times heavier than water and will cling to vertical surfaces. This prevents waste from overuse and works great on scale, rust, algae, scum, lime, corrosion and calcium deposits. BIG BLUE JOHN leaves behind a fresh scent and a protective barrier to keep hard water spots and stains from building up on a regular basis. BIG BLUE JOHN is an excellent pre-cleaner for equipment before sanitation. Ask your account representative about in-service programs for your cleaning staff.

AREAS OF USE: SCHOOLS, HOSPITALS, INDUSTRIAL PLANTS, WAREHOUSES, HOTELS/MOTELS, OFFICE BUILDINGS, FOOD PROCESSING PLANTS

APPLICATIONS: PROCESSING EQUIPMENT, WATER FOUNTAINS, TILE/GROUT, CONCRETE, SHOWER STALLS, URINAL & BOWLS

TECHNICAL DATA
FORM: Water Base Liquid
ODOR: Fresh
COLOR: Blue
DETERGENCY: N/A
WETTING ABILITY: Saturates
STORAGE STABILITY: 1 Year+
COLD STABILITY: 35°F
PHOSPHATES: None
FLASH POINT: N/A
BOILING POINT: 91°C
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.04
pH: <1
VISCOITY: Thick
EVAPORATION RATE: Slow
BIODEGRADABILITY: No
