County Fair™
Dry Mist Air Freshener  #7317

County Fair is especially effective as a spot treatment for rooms, drapes, carpets, etc. Use to control and neutralize odors caused from nitrogenous and sulfurous sources such as urine, feces, decay, rancidity, animals, fire, smoke, cooking, and mildew. Also neutralizes odors caused by organic decomposition, and tobacco smoke. A special two-way valve allows this product to be sprayed both right side up and upside down. County Fair is non-staining, and dry spray leaves no wet fallout. Meets all current VOC standards.
