

Citrus Power™

Heavy-Duty Cleaner and Degreaser

#701

“Spray-N-Stay Feature”

CITRUS POWER is formulated to remove both water-borne and oil-borne soil. This non-selective product is ideal for most cleaning jobs that call for general cleaning. May be used on stainless steel, aluminum, chrome, porcelain, glass, Formica, etc. Removes brown oxide film from aluminum and chrome. Removes smoke stains and grease from kitchen appliances. Leaves cleaned surface with a fresh, clean, natural aroma. Mild formulation yet tough on soil. High-energized foam activators attach soil and grease fast. Emulsifiers keep soil in suspension until wiped away. This product is harmful to some plastics. Pre-test on small area before using. Ask your account representative about in-service programs for your cleaning staff.

AREAS OF USE: HOTELS/MOTELS • HOMES • OFFICE BUILDINGS • RESTAURANTS • HOSPITALS • SCHOOLS
