

Coil Rinse™

Coil Rinsing Agent #7513

For use with Wolverine

COIL RINSE eliminates the need for high-pressure water lines or bulky sprayers. It is designed to rinse coil cleaner off of evaporator and condenser coils eliminating the messy clean up. Excess dirt, lint and coil cleaner may be washed down the drain. Authorized by USDA for use in federally inspected meat and poultry plants. Also degreases equipment. Ask your account representative about in-service programs for your maintenance staff.
